MICE

Finally, a good MICE destination is one that offers visitors value outside of the event that they're travelling for. We've already talked about tourism infrastructure being an essential element of a location's success, and the attractions and experiences on offer play a part in this. With 'bleisure' travel on the rise, destinations that have a lot to offer in terms of culture, sightseeing and activities are more popular amongst events or organisations that want to offer their guests a more rounded experience.

Our MICE Destinations are
Morocco, Duban. Cairo
Vienna, Barcelona, Madrid
Buenos Aires, Costa Rica, Las Vegas, Dallas
